

RAJAGIRI RHYTHM

Dear Mom and Dad,
As winter vacation is approaching near
I can hereby assure you dear
I've gained a lot of knowledge than ever
And have become confident and clever

English

Learning 'eg', 'en', 'ed' and 'et' words was easy
Reading and writing sentences kept us busy

The use of 'this', 'that', 'these', 'those', 'in', 'on', 'a' and 'an'
in a sentence I can do
I am able to comprehend pictures and make sentences too

Now I know what opposites are
Don't you think I am a star..?

'oa', 'ie', 'ou', 'oi', 'er', 'ar' and 'qu' are the digraphs
done
I'm sure I'll forget none.

'Bugsy the baby bug' is the story we did
I enjoy reading it as a kid

I ♥ Picture
Books

Maths

I learnt the number names 'nine' to 'fourteen'
I am confident I can write it fine
I am thorough with numbers 1- 90
And write them fast as you can see.
Ascending & descending order and skip counting by 2's
are the new concepts I was taught
Subtraction with and without objects I enjoyed a lot.....!!!

EVS

Under the sea

Beneath the waters green and cool
The mermaids keep a swimming school
The amazing world of under the sea
Is a treasure of animals you see.

Reptiles

Reptiles have dry scaly skin
I have learnt it with my kin

Seasons-Summer & Winter

Summer is the warmest of all the seasons
Day is long and night is short
Cotton clothes keep us cool
Its fun to play in the pool

Winter brings in chilly breeze
Rarely you see evergreen trees
Snowy sights and festive lights
Are the fun of winter nights.

POEMS

We can recite poems on.....

'Under sea', 'If you see a Reptile', 'Summer delights' & 'Winter is here again'

ART AND CRAFT

Colouring the National flag was so exciting.
Making Christmas card was fascinating.

SHOW & TELL

We can talk with confidence on the following topics:-

- *The world under the sea
- *The place I like in Dubai
- *Rainbow, the wonder of nature
- *My best buddy

VIRTUE

LOVE & KINDNESS are the virtues we have learnt.

SPECIAL DAYS

EID PARTY

We danced and danced as we pleased
And it was a joy to behold
We celebrated Eid-al-Adha ,one of the two Eids...!!!!

NATIONAL DAY

We, the children were fluttering their national flag
And were thrilled to see the national bird
We enjoyed the national dance
As it was a rare chance

The ambience was filled with **THE SPIRIT OF THE UNION.**

CHILDREN'S DAY

November 14th is children's day
We know it is Chacha's birthday
I'm special was the topic for show n tell
A competition that went on very well.

SPORTS DAY

Athletic Circus Fiesta was a real treat
With foot tapping music of the beat.
We did some mind boggling gymnastics
Topped with some unbelievable acrobatics.
We walked with confidence on the beam
And worked together as a team
We displayed some awesome cartwheel
Didn't it give you a proud feel..?
We did some amazing forward and backward roll
Progressing towards a healthy lifestyle goal.
We enjoyed running the race
Without failing to keep the pace..!!

CLASS PICNIC

The trip to 'Al Tawar Park' was a real fun,
We enjoyed playing out in the sun.
Being with friends and sharing food I cherish
Oh..! these sweet memories will never perish.

XMAS PARTY

Jingle bells jingle bells jingle all the way
Its Christmas party at Rajagiri...Hurray...!
Unwrapping the gifts was indeed a surprise
Dancing with Santa was a reason to rejoice.

These are some of the activities you can enjoy doing at home with your child.

Play word building with your child. You can begin with the first word, then your child will think of a word that begins with the last letter of your word. eg:- If the first person says 'Cap', the second person says 'Pan' and so on.

Make it a practice to read a story to your child everyday. Read the book slowly. Change your voice and pace as mood changes or interesting characters come to view. Create distinctive voice for each character. While reading, ask questions to keep an interaction going between you & your child.

Give pictures and encourage the child to write sentences on his own.

Roll two dice and let your child say the bigger number. Ask him to subtract the other number from this. This will help improve his/her subtraction skills dramatically.

We wish you all a merry Christmas and a happy new year...☺
